Education

SMK Kristen Kanaan

Jun 2021 - Jun 2024 | Multimedia

Graduated from high school with a multimedia specialization. Possesses a strong foundation in web design and development principles.

Bootcamp Purwadhika

Jun 2024 - Sep 2024 | Full Stack Web Dev

Completed an intensive program and acquired a strong foundation in full-stack web development. Possesses a deep-rooted expertise and passion for crafting intuitive and responsive user interfaces, primarily utilizing Next.js and Tailwind CSS.

Experience

PT. Dwi Tunggal Putra | Internship

Agus 2023 - Des 2023

contributed to the development of buanterone.id and area31.id for 5 months. implemented responsive and interactive front-end designs using html, css, bootstrap 5, and javascript.

RJA.TIX | Bootcamp Project

Aug 2022 - Present

as a core member of the rja.tix development team, i was solely responsible for the design and development of the ui/ux. leveraging figma, i crafted an intuitive and modern user interface. subsequently, i implemented this design using next.js, typescript, and tailwind css. my contributions resulted in the creation of highly intuitive and responsive ui components, significantly enhancing the overall user experience.

FYP Media | Internship

Nov 2024 - Feb 2025

played a key role in overhauling the website's ui/ux, from initial concept to implementation. this involved creating a new design system, producing lo-fidelity prototypes, and conducting usability testing with methods like sus and card sorting.
